Made-up data room for testing agents. Every company, person and figure here is fictional.

Investment overview

Vennacott provides fire-safety and security-systems installation, maintenance, remedial work and alarm monitoring. Kilcarrow Fire Protection Limited joined the group on 1 July 2025 for initial €9.6m plus an earn-out.

Trading and customers

FY2026 management revenue was £62,090k and EBITDA before exceptional items £8,450k. Dunstreath Retail Group plc contributed £3,420k of FY2026 revenue; its contract ended on 31 March 2026 following a move to a national facilities-management provider.

New multi-site maintenance wins and installation programmes for continuing customers are supporting FY2027 growth following the loss of Dunstreath.

Commercial pipeline

At 31 May 2026 the installation order book and awarded work totalled £18.2m, including awarded but uncontracted work. This is not the contracted-only KPI in the monthly accounts.
